Is it clear that we are talking of an interview?
If YES then I can do whatever they want.

Mrs Barak,
Banamex would like Mr Barak to speak about the following. Does this work for him?

Mr. Barak to center his presentation in: stability of the Middle East, the recent treaty between Iran and the United States and the importance of oil in terms of maintaining the stability aspects and safety – regarding Mexico we´d like to hear his opinion but not as a critic , more as the options he might see and how he sees LatinAmerica
